

A Testament to the hard work of all of our Students

We are delighted with our A Level results and the improvements made are testament to the hard work of all of our students and the dedication of our staff. Our students on average achieved a grade higher than in the previous year and 94% of students gained 3 A levels (or equivalent) which is a 20% increase from last year. The majority of students will go on to study at their first choice University. The staff here wish all of our students every success in their future endeavours.

Amongst our highest attainers are:

Kamil Wezgowiec (Distinction* in IT, A* in Polish, B in Maths and C in Further Maths) *pictured here with his Maths teacher*

Viktorija Kurlajeva (Distinction* in IT, Distinction* in Health and Social Care and an A in Russian)

and Luke Peironi (three Distinction* in IT, Health and Social Care and Sport) *pictured here with Chris Smith*

We are also delighted at our first set of results from the Football Academy where a number of students were awarded three Distinction* in Sport (Development, Coaching and Fitness): Oliver Laine, Conor York (*both pictured below*), Bruce Dalton, Ismail Hussain, Connor Jones, Sam Liddington and James Reed
