

Pupil Premium Funding Academic Year 2014/15

Pupil Premium income £193,545

How this money will be spent:

Expenditure	Desired impact
Additional staffing in Maths for in class support and intervention	Raise attainment and progress of PP students in Maths.
Additional Maths teaching outside of the school day	Catch up sessions will address gaps in knowledge and hence raise attainment in Maths
Additional staffing for, and resourcing of, literacy intervention and accelerated reader programmes	Continue to narrow the gap in English and develop literacy across the curriculum
Purchase revision guides and other resources (including ICT) tailored to the individual needs of students	Raise attainment across all curriculum areas and increase the number of PP students gaining 5A* - C.
Purchase equipment for use at home and in school	Enable all students to access homework tasks and ICT related resources that support their learning.
Fund trips and out of school activities	Broaden the learning experiences and raise aspirations of students
Provide pastoral support and interventions	Improve student well-being, increase confidence and promote a readiness to learn
