Dear Parent/Carer

VI Form Subject Parents Evening: Thursday 16th January 4.00pm – 6.30pm

I am writing to invite you to attend the Year 13 Subject parents' evening which will take place on Thursday 16th January between 4.00pm and 6.30pm in the VI Form Study Area. It is expected that every student's parents/carers meet with their subject teachers following their recent mock examinations to support their learning, discuss their achievements, identify areas for improvement and to raise any concerns that you may have.

For the home-school partnership to be most effective, it is important that teachers, students and parents/carers are involved in order to help to identify how your child can be best supported for them to progress.

Appointments can be made on My Child At School (MCAS) with immediate effect and will close on Wednesday 15th January 2025. Should you wish to make any changes after this date please contact the school office on 01604 493211.

If you have not yet activated your MCAS account, you can do this by visiting www.mychildatschool.com and entering the school postcode (NN36HT) and your email address.

If the student has more than one teacher for a specific subject, please only book an appointment with the teacher below
