

Dear Parent/Carer

Re: University of Northampton: Futures in Justice Trip

We would like to take all of our Year 12 Criminology students to the University for a series of in-depth sessions concerning different aspects of careers in law on October 11th 2024.

This subject taster day is an excellent opportunity for students to gain an insight into the University's degree programmes for Law, Criminology and Professional Policing; as well as a great chance to look around the Waterside Campus and meet some current students.

Students will attend 3x interactive sessions, covering each subject area in depth. There will also be an optional opportunity for a short campus tour during the lunch break if students would like to see some of the accommodation.

We will be travelling by school minibus and will leave school at approximately 8:50am. The day is due to finish at 2.30pm where the students will be free to make their own way home with parental consent. The University has lots of transport links around Northampton and is located near the town centre.

Students may bring their own money to purchase refreshments in the University restaurant. Students may also bring their own drink and snacks with them.

The cost of this trip is free. Please login to MCAS to give your consent by 4th October 2024.

By giving your consent, you are agreeing to the following terms and conditions associated with this trip:

You grant permission:
