

14th November 2024

Dear parents/carers,

Attendance in the school has been improving since our return last week. Over this half term we will reward students and families who maintain good attendance.

On the following dates there will be attendance spot prizes issued as part of our 'Friday night takeaway' prize draw. All students who have achieved 100% attendance over a two-week period will be entered into a prize draw. One student from each year group will be randomly selected and receive a £25 just eat voucher to contribute to a family Friday night takeaway.

The dates of the draw are below.

- Friday 22nd November
- Friday 6th December
- Friday 20th December

Once again, we greatly appreciate the efforts our students and families are making to maintain good attendance and finish the academic year at 96% or above.

Yours sincerely,

Mr P McCahill
Headteacher
